

Postgraduate applicant journey for International Students

APPLICATION STAGE

1. Submit an application directly

You can find the application form on our website or by emailing international@nua.ac.uk. If you are unsure about the entry requirements from your country or qualification type, you can get in touch with us before you submit an application.

2. Prepare your portfolio

We will ask to see your digital portfolio and may ask for other documentation such as your passport photo page, academic and English qualifications.

5. The decision

You will receive a decision within five working days via email.

4. Attend your interview

Interviews are a two way process! We get to know you; you get to know us. Don't forget, an interview is your chance to ask questions too!

3. Book your interview

We'll book a mutually convenient time to interview you via skype or in person.

NEXT STEPS

6. International scholarships

International students are eligible for our scholarships. You must submit the declaration form and apply by the deadline of 23 May.

7. Accepting your offer

You should make your decision by emailing us directly. Let us know even if you decide to decline your offer so that we can reallocate your place to another applicant.

8. English language

If there are English conditions attached to your offer, you will need to book an IELTS test at an approved SELT centre.

11. Send us your qualifications

If you have a conditional offer, send us the academic and/ English qualification outlined in your offer to us as soon as it's available. You can email information to international@nua.ac.uk

10. Apply for accommodation

The portal will provide information about finding suitable private housing.

9. Complete pre-enrolment

By the end of April you will gain access to our pre-enrolment portal where we can confirm your fee status among other things.

12. Apply for your visa

Most international students will need to apply for a Tier 4 student visa. You can only apply once you have an unconditional offer and no earlier than 3 months before the start of the course.

13. Pay your deposit

International students need to pay a £2,500 deposit in order to obtain a Tier 4 visa. You will need to make the full payment by 30 August.

14. Travel to Norwich

Once you have your visa you can book flights and make travel arrangements. The International Office will send you practical information about moving to the UK.

15. Welcome

Before the first week of term there will be an International Students Arrivals Lounge which you are welcome to attend.
