Supporting Information

Walk around the campus at Norwich University of the Arts and you will see evidence all around of artists, designers, media producers, makers and innovators at work.

We are one of the great British art schools: a specialist arts, architecture, design and media university that draws on more than 170 years of history but with our focus on the future.

We are renowned for our teaching quality. NUA was awarded Gold in the Teaching Excellence Framework and praised for how we encourage our students through “experimentation, creative risk-taking and team-working.” We were ranked in the UK’s top 10 institutions for teaching quality in the 2018 Times and Sunday Times Good University Guide.

We are also proud of our award-winning campus and facilities. Our 21st century teaching spaces and workshops are housed in renovated buildings with a medieval, Victorian and Edwardian heritage. NUA won the Outstanding Estates Strategy Award at the 2018 Times Higher Leadership and Management Awards, and was a finalist in the Buildings that Inspire category of The Guardian University Awards in the same year.

We welcome diversity. Whatever your background, wherever you are from, you’ll be welcomed as an innovator and leading practitioner in your field. You will join a community of creatives and makers who are committed to delivering expert academic tuition and who are supported by visiting specialists from the creative industries. You will work in a stimulating and critically-engaged environment.

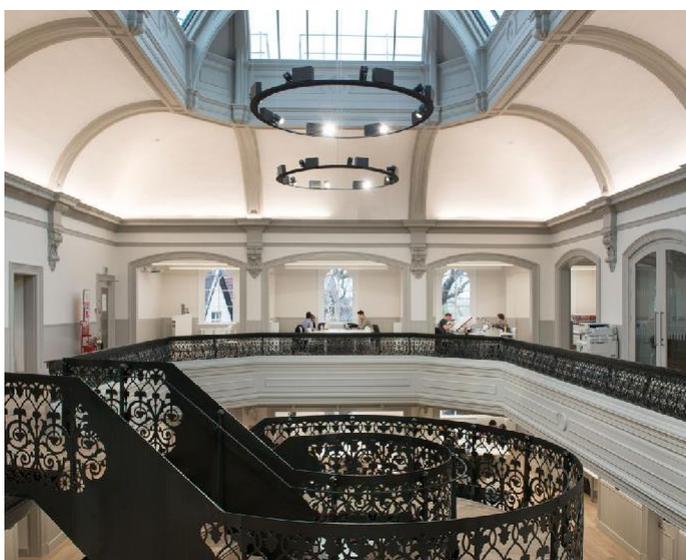

NUA was “highly-rated” in the Which? 2018 Student Survey for “Job Readiness” and 94% of our graduates are in work or further study six months after graduation. You will find them in key positions at leading arts organisations, museums, galleries, fashion and textile houses, design and advertising agencies, UX and game development studios, film and media companies across the globe. There are Oscar nominees and BAFTA winners, and rising stars who are honoured across the creative industries: from D&AD Pencil winners, to acclaimed fine artists, photographers and fashion designers.

We understand that making career choices requires careful consideration. We hope that as you learn about us you will be inspired by our ethos and plans for the future.
