Postgraduate applicant journey for International Students

1. Submit an application directly
   You can find the application form on our website or by emailing international@nua.ac.uk. If you are unsure about the entry requirements from your country or qualification type, you can get in touch with us before you submit an application.

2. Prepare your portfolio
   We will ask to see your digital portfolio and may ask for other documentation such as your passport photo page, academic and English qualifications.

3. Book your interview
   We’ll book a mutually convenient time to interview you via Skype or in person.

4. Attend your interview
   Interviews are a two way process! We get to know you; you get to know us. Don’t forget, an interview is your chance to ask questions too!

5. The decision
   You will receive a decision within five working days via email.

6. Accepting your offer
   You should make your decision by emailing us directly. Let us know even if you decide to decline your offer so that we can reallocate your place to another applicant.

7. English language
   If there are English conditions attached to your offer, you will need to book an IELTS test at an approved SELT centre.

8. International scholarships
   International students who accept their place by the deadline can apply for our international scholarships. The scholarship deadline is 10 June 2020.

9. Complete enrolment tasks
   Complete tasks on the Applicant Portal to confirm your fee status among other things.

10. Apply for accommodation
    The portal will provide information about finding suitable private housing.

11. Send us your qualifications
    If you have a conditional offer, send us the academic and English qualification outlined in your offer to us as soon as it’s available. You can email information to international@nua.ac.uk

12. Apply for your visa
    Most international students will need to apply for a Tier 4 student visa. You can only apply once you have an unconditional offer and no earlier than 3 months before the start of the course.

13. Pay your deposit
    International students need to pay a £2,500 deposit in order to obtain a Tier 4 visa. You will need to make the full payment by 31 August.

14. Travel to Norwich
    Once you have your visa you can book flights and make travel arrangements. The International Office will send you practical information about moving to the UK.

15. Welcome
    Before the first week of term there will be an International Students Arrivals Lounge which you are welcome to attend.
