1. INTRODUCTION

- 1.1 When you enrol on a course at Norwich University of the Arts there are financial implications for you to consider. This Student Tuition Fees Payment Policy document will help guide you through these implications.

NB: This policy covers only rules and procedures with regard to tuition fees. There are other costs that you may incur, such as accommodation charges or costs associated with your course. There are separate guidelines and procedures for these types of costs, which are not covered in this document.

Should you have any queries regarding this policy please contact a member of the finance staff or email: finance@nua.ac.uk.

2. ASSESSMENT OF LEVEL OF FEES

- 2.1 Before you enrol each year you will be informed of your tuition fees for the forthcoming year once you have completed our pre-enrolment portal. The fees that you will be charged will be based on your answers to a series of questions which determine your fees status. NUA will assess your fee status using the guidance provided by the UK Council for International Student Affairs. Students from the UK or the Republic of Ireland and EU students with 'settled' or 'pre-settled' status will be charged Home fees if they meet the relevant residency requirements. The University reserves the right to change your fees status at a later date if any of the information that you have provided is incorrect.
- 2.2 If you are a Home student you may be eligible for financial support from your student loan provider.
- 2.3 The University charges higher fees for non-Home students (i.e. Overseas students) If you are in any doubt as to whether you are a Home student or an Overseas student you should contact the University's Academic Registry department for advice. The final decision regarding status rests with the Pro Vice-Chancellor Student Experience and Academic Registrar.
- 2.4 You should not withhold or reduce any payment as a result of any complaint you may have against the University, unless we confirm in writing to you that you can do so.
- 2.5 You should note that inflation may be applied to your fees in later years, so you should not assume that the annual fee will be the same each year. If a change in the fee for the following year will apply, we will confirm this in advance to you, and will limit the increase to no more than the Office for Students' recommended inflationary measure of RPI-X.

3. PAYMENT OF FEES

3.1 Home students

3.1.1 You are required to indicate how you intend to pay your fees. You will be asked to do this when you complete the University's online enrolment process. Options available are detailed under 3.1.2, 3.1.3 and 3.1.4.

3.1.2 If your tuition fees are being paid via your student loan provider:

You are required to:

- have applied to the student loan provider by 31 July 2022
- before or on enrolment day, we must have received confirmation from your student finance provider that they will fund your tuition fees.

NB - If your student finance provider does not pay your tuition fees within 30 days of enrolment day you will be invoiced in full for your fees.

3.1.3 If your tuition fees are being paid by a sponsor:

You must produce a letter from your sponsor by 5 August 2022 confirming the proportion of your fees that they will pay, and stating that they will pay these fees. Please note that in the event of your sponsor not paying, liability for payment of your tuition fees will rest with you.

3.1.4 If you are paying all or some of your tuition fees there are two options available:

(i) Pay the full fee by 31 August 2022;

(ii) Pay by instalments:

You must complete and return a direct debit mandate by 5 August 2022 so that payments can be taken on (or shortly after) the following dates:

First instalment – 1/3 of the fees due on **23 September 2022**;

Second instalment - 1/3 of the fees due on **6 January 2023**;

Third instalment - 1/3 of the fees due on **14 April 2023**.

In exceptional circumstances we may agree to other instalment plans. In such circumstances, you will be required to complete and return a direct debit mandate by 5 August 2022.

Students who are unable to pay instalments by direct debit from a UK bank account should contact the Finance department for further advice.

Failure to meet any of the payment deadlines above may prevent you from being allowed to enrol / re-enrol and/or incur an administration fee of £50.

3.2 Overseas students

3.2.1 International Deposit Scheme

3.2.1.1 If you apply to NUA and are offered a place on a course, you will need to pay a deposit of £2,500 to secure your place. The £2,500 deposit only applies to your first year of study at the University. In some circumstances, you may not be required to pay a deposit, such as if your fees are being paid by a sponsor or other third party. Full terms and conditions of the International Deposit Scheme are available on request from the NUA International Office.

The deposit must be paid by 17 June 2022, you will be instructed as to how this should be paid when you complete our online pre-enrolment process.

3.2.2 Payment of the balance of your fees

You are required to indicate how you intend to pay the balance of your fees. You will be asked to do this when you complete the University's online enrolment process. Options available are detailed under 3.2.2.1 and 3.2.2.2.

3.2.2.1 If your tuition fees are being paid by a sponsor or other third party:

You must produce a letter from your sponsor or other third party by 5 August 2022 confirming the proportion of your fees that they will pay, and stating that they will pay these fees. Please note that in the event of your sponsor or other third party not paying, liability for payment of your tuition fees will rest with you.

3.2.2.2 If you are paying all or some of your tuition fees then these must be paid these before 31 August 2022;

3.3 Instalment plans

3.3.1 Where a student either signs an instalment plan, or where the University agrees to extended payment terms, there is an obligation on the student to make payments by close of business on the agreed payment dates.

3.3.2 If payment is not received by the payment date(s) then the University reserves the right to cancel the instalment plan and demand immediate payment of the whole amount outstanding. The University also reserves the right to make a late payment charge of up to £50 for each occurrence.

3.4 Dishonoured Payments

3.4.1 The University reserves the right to make a charge of up to £50 on each occasion that a cheque is dishonoured by your bank, or when an agreed credit card / debit card / direct debit payment is declined, to cover our additional administration costs.

4. IF YOU DO NOT COMPLETE A FULL YEAR OF STUDY

4.1 Withdrawal from the University (Terminating your studies)

4.1.1 Where we refer to withdrawal in this document, this includes students whose course is terminated by the University for any reason, as well as those students who have chosen to withdraw.

4.1.2 The date of your withdrawal is crucial, as this determines the tuition fee applicable. If you decide to withdraw from your studies it is your responsibility to complete a withdrawal form and send it to the Course Administration Office. Do not assume that simple non-attendance will signify your formal withdrawal from the University.

4.1.3 Your fee liability will be calculated based on the date the University receives formal notification of your withdrawal, or the date the Academic Registry determines that you are no longer in attendance, whichever is earlier. It is therefore important that you contact your Course Leader as soon as you are thinking about withdrawing from your course, and that you complete and return a withdrawal form as soon as you have made the final decision to withdraw.

4.1.4 If you withdraw from the University your fees will be calculated as below:

- If your tuition fees are being paid via your student loan provider
 - Withdrawal on or before 9 January 2023: 25% of full year fees payable;
 - Withdrawal between 10 January 2023 and 17 April 2023: 50% of full year fees payable;
 - Withdrawal after 17 April 2023: Full year fees payable.
- All other students
 - Withdrawal on or before 9 January 2023: one third of full year fees payable;
 - Withdrawal between 10 January 2023 and 17 April 2023: two thirds of full year fees payable;
 - Withdrawal after 17 April 2023: Full year fees payable.

4.1.5 If you are a new entrant to the University in September 2022 and we receive your withdrawal form by 18 October 2022 there will be no fees due. Any fees already paid by you will be refunded in full.

4.1.6 Students who have paid their fees with a US Federal Aid loan will be subject to a different refund procedure as required by the US government – this procedure is specified in the 'Norwich University of the Arts – Return of Title IV Funds (R2T4) Policy'. A copy of this policy can be obtained from NUA's International Office.

4.2 Students intermitting (Taking an agreed break in your studies)

4.2.1 Where the University agrees to your intermission you will be advised of your fees for both the academic year you intermit and the academic year you intend to resume.

4.2.2 Fees in the year that you intermit will be calculated as below:

- If your tuition fees are being paid via your student loan provider
 - If you intermit on or before 9 January 2023 – 25% of full year fees payable
 - If you intermit between 10 January 2023 and 17 April 2023 – 50% of full year fees payable
 - If you intermit after 17 April 2023 – full year fees payable
- All other students
 - If you intermit on or before 9 January 2023 – one third of full year fees payable
 - If you intermit between 10 January 2023 and 17 April 2023 – two thirds of full year fees payable
 - If you intermit after 17 April 2023 – full year fees payable

When you return from intermission your fees will be calculated as above less a credit for each full week of study not being repeated.

4.2.3 If you are a new entrant to the University in September 2022 and you intermit by the 18 October 2022 there will be no fees due. Any fees already paid by you will be refunded in full.

4.3 Students transferring from / to another institution

4.3.1 You will be advised of your fees for the academic year you transfer from/to the University.

4.3.2 If you are a new entrant to the University in September 2022 and you transfer to another institution by 18 October 2022 there will be no fees due to the University. Any fees already paid by you will be refunded in full.

4.4 Late enrolment

4.4.1 Students enrolling in the first term after the start of the academic year will be liable for the full tuition fee for the year.

5. REPEAT STUDY

5.1 If you are required to repeat any part of your course we will write to inform you of any extra fees that will be charged.

5.2 No discounts will be applied for periods of repeat study.

6. FAILURE TO PAY

6.1 Consequences of paying your fees late

6.1.1 If you fail to pay your fees by the due date(s) for payment you will receive reminders from the University, and may incur late payment charges of up to £50 on each occasion, as detailed above.

6.2 Consequences of non-payment of fees

6.2.1 If you fail to pay your tuition fee by the due date(s) for payment you will receive reminders from the University, and may incur late payment charges as outlined in 6.1.1 above. If you still fail to pay you may:

- Be excluded from the University by being withdrawn from your course (see 6.2.2)
- Be unable to re-enrol for your next year of study;
- Have your access to facilities withdrawn;
- Be refused entry to graduation ceremonies;
- Have the details of your debts passed to our external debt collection agents. This will incur additional costs which you will be liable to pay for;
- Be prevented from enrolling at the University for any other course in the future.

6.2.2 If any instalments of fees have not been paid within 8 weeks of the due dates for each term, and you have taken none of the actions outlined below, the University may withdraw you from your course at the end of that term.

The action you will need to take will depend on how your fees are being paid:

- **If you are paying your own fees** and have not paid the current term's instalment within 8 weeks of the due date, you will be required to agree a payment plan to pay the outstanding fees, or we may withdraw you from your course.
- **If you tell us that your fees are being paid via your Student Loan Provider** and we have not received confirmation within 8 weeks of the due date for that term that they will pay your fees, you will be required to pay the tuition fees due. You will be required to agree a payment plan to pay the fees yourself or provide evidence that you have submitted an application for a tuition fee loan and that your application has not been declined by the Student Loan Provider. If you do not do this we may terminate your course.
- **If you tell us that a sponsor will be paying your fees**, and they fail to pay any instalment within 8 weeks of its due date you will be liable to pay the tuition fees due. You will be required to agree a payment plan to pay the fees yourself. If you do not do this we may terminate your course.

6.2.3 Where clause 6.2.2 applies and you have taken no action to contact the University and make arrangements to pay your outstanding fees, we will write to you at both your recorded term-time and home addresses, and to your NUA email address, giving formal notice of the outstanding fee due and our intention to terminate your course at the end of that term. You will then have the following options:

- To pay your outstanding fees within 10 days of the date of the formal notice letter and enter into a binding agreement to pay subsequent fees on time.
- To agree an extended monthly instalment plan with the Director of Finance and Planning within 10 days of the date of the formal notice letter to pay the arrears and remaining instalments when they become due. Please note that all fees must be paid before the end of May in each academic year.
- To provide evidence, within 10 days of the date of the formal notice letter, that you have applied for tuition fee funding from your Student Loan Provider and that your application is under consideration and has not been rejected.

6.2.4 Provided that you comply with one of the options in 6.2.3 (above), your notice of course termination will be withdrawn by the University. Should you not comply we will write to confirm that your course will be terminated.

6.2.5 If you are experiencing financial difficulty, please refer to section 8 of this document.

6.3 Your right of appeal

6.3.1 Once you have received the notice specified in 6.2.3 you have the right to appeal against the decision to terminate your course. **This procedure should only be used for appeals against withdrawal due to non-payment of fees.** If you have an appeal or complaint about any other aspect of your course you should use the appeal or complaint procedure outlined in Section J and Section K of the *Student Regulations and Procedures* available on the University intranet.

6.3.2 You may appeal against your withdrawal on one of the following grounds:

- You are able to pay your fees and wish to make payment arrangements – you should state why you did not make payment arrangements within 10 days of the date of the formal notice letter;
- You have made an attempt to come to an agreement which has been rejected by the University, and you wish this decision to be reviewed – you must state the reason that you think that the University should review its decision;
- You have applied for funding from your Student Loan Provider but were unable to provide the evidence when originally requested but can do so now – you should include this evidence with your appeal;

- 6.3.3 Your appeal must be made in writing and submitted to the Director of Finance and Planning, Francis House, 3-7 Redwell Street, Norwich, NR2 4SN within 10 days of the date of the notice of course termination. You should clearly state your name, course and year of study, the grounds for appeal and how you intend to pay your outstanding fees **and** meet your future instalments. You should include any additional evidence that will support your case (for example, copies of correspondence with your Student Loan Provider, proof of funds in a UK bank account or other correspondence that demonstrates that you can pay your fees).
- 6.3.4 The Director of Finance and Planning will consider your appeal and notify you of the outcome within 10 working days of receipt of your written appeal and evidence. You may be required to attend a meeting with the Director of Finance and Planning, or his representative, to discuss your appeal should further clarification be required.
- 6.3.5 If your appeal is upheld, you must make appropriate arrangements to pay your outstanding fees as confirmed by the Director of Finance and Planning or the withdrawal notice will be reinstated and your course terminated.
- 6.3.6 The decision of the Director of Finance and Planning will be final.
- 6.3.7 Following the conclusion of the University's procedures relating to this appeal you will be sent a letter notifying you of this fact and providing information on appealing to the Office of the Independent Adjudicator for Higher Education (OIA). A student may appeal to the OIA if he/she remains dissatisfied with the outcome of the appeal and has exhausted the relevant procedures of the University. The OIA may be contacted at the following address:
